CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

Sir P. T. Science College, Modasa is affiliated to Hemchandracharya North Gujarat University Patan. The university provides an academic calendar. The students are taught according to the guidelines prescribed in syllabus by the university. We have formed different committees such as Admission, Timetable, Examination; Cultural etc. The syllabus is distributed on the basis of interest and expertise of the teacher by HOD's. The teacher prepares a teaching action plan for each chapter. According to syllabus we purchase new reference and text books on the respective syllabus and prepare study material. Head of the department arranged review meeting about syllabus in each department. Head of Institution, Head of the department and members of faculty discuss the feedback from students & alumni and their own reflections are exchange in annual meetings. The suggestions made become useful in monitoring and evaluating teaching and learning process.

University has accepted CBCS systems from June-2011. So the semester system is introduced from June-2011 in our institute also. There are 2 university exam

have conducted in first and second semester every year in our college. Institute always worry for the quality, Excellency and preparation of the exam before university exam. So we carried out to internal exam in first and second semester during the year. For excellence preparation we arrange unit wise test before the internal exam. Every faculty member take his own unit test whenever completion of his/her unit. The unit test is very essential and useful to the students for their enough preparation during the year. For better evaluation we arrange MCQs test, Assignments and projects and Internal evolution process

reset.

The college has made adequate arrangements for the maintenance and upkeep of the college infrastructure. The management ensures that enough UGC grants and funds are allocated and then utilized for the maintenance. We have a committee to ensure optimum allocation and utilization of the available finance. It functions in following manner. The institution collects the suggestions and complaints from the students and staff members. The committee classifies it on the basis of requirements and then it is forwarded to the head of the institution. The head of the institution solves the problem and makes suggestion to related person who looks after the maintenance task. Analyze

them.

Using intranet technology communication and sharing of study material is cheaper and easier than internet. Intranet consists of interlinked local area networks. Intranet can act as communication hub for institutional stakeholders. You can store study materials like syllabus related material, video lecture etc. It is accessible at any time within the campus area. Intranet facility in the Institutional campus area. Institute established this facility for the student benefits. In this faculty of the entire department individually uploaded their respective study material so students can easily access and download for study purpose. Faculty also upload their PPT and video lecture on it student can revise that topic any time. Due to this facility faculty can communicate with students and they motivated to prepare a study material for the students. In this student get specific materials related to their syllabus. For this facility institute established one server in the cyber room and it is controlled by one computer operator. Faculty wants to upload or upgrade their materials they give to
