PLACEMENT CELL ORGANIZED

ONE DAY WORKSHOP ON

SOFT SKILL CORPORATE TRAINING

DATE: 22ND DECEMBER, 2023

Time: 1:00 PM

Soft skills training focuses on developing abilities like communication, teamwork, and problem-solving. Nowadays soft skill has gained popularity as it builds social aptitude, language, communication capability, friendliness and personality with the improved team work capability. Soft skills are strategic to be successful in personal and professional life and is essential for the students in order to succeed in job interviews.

In present time industries and companies prefer to hire new employees, in particular recent graduates with proficiency in soft skills than their hard skills. This is so because such employees are asset to company, in order to be competitive, needs to create good and effective teams and a collaborative working atmosphere.

The placement cell of Sir P. T. Science College, Modasa has organized a one-day workshop on **SOFT SKILL CORPORATE TRAINING** on 22nd December, 2023. Ms. Swasti Raina was invited as resource person who is former placement officer at Kadi Sarva Vishwavidyalaya and professional soft skill and business coach with 27 years of experience.

The workshop was inaugurated by introductory remarks by Dr. T. M. Patel, coordinator, Placement cell followed by motivational speech by DR. K. P. Patel, Principal, Sir P. T. Science college. Programme was proceeded with the floral welcome of the resource person.

Programme begin with motivational activity by the speaker which was ice-breaking of the event. Students were also trained for resume writing in which the content, length and errors have been discussed. Apart from that the body language and way of speaking during interview has been discussed with the students. The speaker has also encouraged students to become the leaders of their path.

The overall workshop was filled with joy, excitement and learning activities. Students have learned and enjoyed the time with speaker.

In this workshop 150 students from B.SC. semester VI has participated.

CELEBRATION OF WOMEN EMPOWERMENT WEEK

Empowering women is key to
building a future we want

— Amartya Sen —

CWDC COMMITTEE

3RD AUGUST TO 9TH AUGUST, 2023

“The woman who follows the crowd will usually go no further than the crowd. The woman who walks alone is likely to find herself in places no one has ever been before.”

– Albert Einstein

Empowering women along with their wholesome development is essential for sustainable and equitable development of society. The collegiate women development cell (CWDC) of Sir P.T. Science college, Modasa is also works with an aim to create a gender sensitized community within the campus as well as in the society. The cell has both the faculty and students of the college as its members and working together to achieve the goal.

The women development cell also provides support to women who face discrimination, harassment or any other form of gender-based violence. They also organise workshops, seminars and various events to promote gender equality, women’s rights, awareness about health, cultural events and different competitions. These events help for the upliftment of women and spread the real importance of gender equality in the society through college students.

During 3rd August, 2023 to 9th August, 2023, CWDS has celebrated women empowerment week by organising various events and competitions.

MEHANDI COMPETITION

Mehndi (or Henna) is the application of henna as a temporary form of skin decoration, most popular in various regions of India. Mehndi reflects the rich Indian culture bringing together the knowledge of medicinal herbs with many lovely sentiments and beliefs. Vedic customs are centred on the idea of “awakening the inner lights”.

Mehndi Competition was held on 3rd August, 2023 to inculcate among the learner’s interest in traditional customs of India exhibited on various festive occasions. Students of B.Sc. semester I, III and V took part in this competition enthusiastically. Total 37 students have participated in the competition.

This competition was organised to develop the traditional values among students. They displayed their artistic designs through an array of mehndi on their hands. Some were old and common but some designs were unique and trendy. The aim of this competition was not merely to see the drawing skills of the students but also their creativity along with the way of representation which will in turn improve the overall personality of student.

Best three designs were appreciated by trophy and certificates. Prof. Pushpaben Garasiya from Shri S K Shah and Shrikrishna O M Arts College and Prof. Anuradha Chaudhari from Sir P. T. Science College served as judges to evaluate the designs made by students.

RANGOLI COMPETITION

Rangoli design is a safe, beautiful and expressive tool that can bring people together to work towards a common creative goal, transcending age, language or cultural barriers. Rangoli competition was organised on 4th August, 2023. The 1st, 3rd and 5th Semester students of B.Sc. participated and created unique designs. This also encouraged art and creativity in education for the students as well. The designs and the themes by our students reflected our rich and cultural tradition, unity in diversity as well as the encouragement of girls' education.

Organizing such events helps students to remain in close touch with their culture. This Rangoli making competition motivated the students to perform and outshine in their creative skills and most important, work as a team to bring laurels to their house. Total 39 students have participated in the competition and their creativity reflected through various colours.

Prof. Kokilaben Patel from Shri S K Shah and Shrikrishna O M Arts College and Prof. Artiben Bhavsar from Sir P. T. Science College served as judges to evaluate the rangoli designs made by students. Dr. K. P. Patel, Principal, Sir P.T. Science College remain present as chief guest. He motivated students verbally and best three designs were appreciated by trophy and certificates.

GYNAECOLOGICAL HEALTH AWARENESS PROGRAMME

Health awareness program was organised on 7th August, 2023. The objective of the program was to raise awareness among the students and gave awareness on women's health regarding various gynaecological problems and to provide insights into managing their body better.

Students are not much aware of their health issues and this can become worse for their body. Importance of maintaining a good body is the key component of a good mental health too. The idea of the program was to give awareness about the body and the importance of visiting a Gynaecologist for the treatments. In the current world each and every woman must be aware about their body issues and health.

Dr. Khushi Patel, Chief Gynaecologist, Ghanchi Arogya Kendra was the resource person for the session. Dr. Khushi Patel spoke about the common gynaecological issues faced by young women. Including PCOD, irregular menstruation, thyroid problems. She gave insights on different gynaecological diseases such as bacterial and fungal infections, cancer of ovaries, breast, cervix, and so on.

She also described about each and every health issues very clearly to the students. The session was very helpful to the students to know about the importance of women's health and body issues. The students were aware of the value of treatment and the importance of visiting a Gynaecologist. The students then interacted with Dr. Khushi for one hour asking questions and clarifying doubts about their health issues. The program was attended by 127 students from B.Sc. Sem I, III and V along with female faculty members of the Institution.

LIFE-STYLE MODIFICATIONS WITH AYURVEDA

In the 21st century, the era of modernization and the fast lifestyle has increased the risk of various physical and psychological problems. Less physical activities, increased consumption of junk food, alcohol and smoking has introduced several diseases and complications. The unhealthy lifestyle of people in the modern world has exposed them to various illnesses, disabilities and even deaths. The various metabolic diseases that are a result of these modern lifestyles are obesity, depression, anxiety, hypertension, cancer, cardiovascular problems, diabetes and other health problems.

Young generation is prone to such diseases as they have adapted modern lifestyle. It became essential to modify the lifestyle for the healthier society around us. To spread awareness among the students about their deteriorating lifestyle and encouraging them to improve it with the help of Ayurveda, the CWDS of Sir P. T. Science college has organised a seminar on “Life-style modifications with Ayurveda” on 8th August, 2023. Dr. Niketaben Patel, Gadha ayurvedic PHC centre was invited as a resource person.

Ayurveda, an ancient ‘science of life’, is uniquely poised to help manage stress and prevent disease. As a complementary and alternative (CAM) medicine in the U.S., Ayurveda provides personalized lifestyle guidance and a natural, holistic approach through dietary and lifestyle changes, herbs and cleansing therapies. Ayurveda helps with prevention and disease management, improving life satisfaction and enhancing the quality of your longevity.

Dr. Niketaben explained about the dincharya (daily routine) according to the Ayurveda as it emphasizes the importance of a healthy lifestyle in maintaining good health. She also emphasized on eating healthy diet, getting proper sleep and importance of yoga and exercise in healthy living. She also answered queries of students wholeheartedly.

MILLET FOOD FESTIVAL

Millets have been an integral part of our diet for centuries. In addition to a plethora of health benefits, millets are also good for the environment with low water & input requirement. With the aim to create awareness and increase production & consumption of millets, United Nations, at the behest of the Government of India, declared 2023 the International Year of Millets. India's Finance Minister Nirmala Sitharaman also referred to millets as "shri anna" or the best of all grains during the announcement of the Union Budget in February 2023.

To spread awareness about the millets among students, CWDC of Sir P. T. Science College, Modasa has organized a recipe competition among students. The event named "The millet food festival" was organized on 9th August, 2023.

In this competition, students had to prepare a dish using millets as ingredients also they were supposed to present the health benefits of the millet used in the recipe. Dr. M. S. Jangid from Department of Botany and Dr. Krishna Patel from Department of Microbiology were appointed as judges for the event and best three dishes were awarded with trophy and certificate.
