

Relevance of Academic Council

Objective of Academic Council:

To create a platform where students can discuss their problems, regarding academic and non academic matters. To enlighten the students on their duties and responsibilities to access benefits. To ensure effective solution to the student's grievances. To obtain speedy resolution to the problem.

Why Academic Council?

In an effort to decentralize and streamline the academic and administrative process, committees are constituted. These committees are directed towards achieving the college mission which is to provide youngsters with an integral formation of academic, professional and human commitment.

To disseminate curricular information and recommendations to the department heads and the Academic council members. To review and formulate policies to enhance students learning motivation. To monitor and follow up of students learning outcomes. To introduce and promote different teaching methods.

- The Academic Council is the highest academic body of the college and is responsible for laying down, regulating, and maintaining the standards of teaching, research, and examinations in the college.
- Review and approves academic calendar, value added courses and report submitted by IQAC.
- Review the academic activities of the college.
- Review and formulate the perspective plan of the college.
- Review the value added courses for students.
- Review the faculty development programs.
- Promote innovation in teaching, sustaining the quality of education and quality improvements initiatives (NAAC & GSIRF NIRF).
- Ensure that the academic program is consistent with the institute's mission and is in line with industry requirements.
- Helps inculcate a culture of research in the student community.
